ST FRANCIS DAY

The Feast of St Francis of Assisi is celebrated worldwide on October 4 each year. The feast commemorates the life of St Francis, who was born in the 12th century and is the Patron Saint of animals and the environment. The feast of St Francis of Assisi commemorates the life of St Francis.

Almighty God,
in Jesus Christ we find the meaning
and pattern of our lives:
draw us ever closer to him
that we may share in Christ's sufferings
and live in the power of Christ's
resurrection;
who is alive and reigns with you and the
Holy Spirit, one God, now and for ever.

Amen

Bring your needs to God—come prepared, and with anticipation that
He will touch you! All welcome!
