

ST. SAVIOUR'S

Dear St. Saviour's; Friends and Family.

I pray you are well and have enjoyed the first few sunny and warmer days of Spring.

The air is filled with anticipation and excitement as we learn to navigate life in light of the continuous vaccine roll out and the benefits of getting vaccinated. I encourage all those who have not yet gone, to consider doing so, as this will allow conversations and negotiations to happen around 'fully opening' our Church doors again, and as you know, I long for that day when we open wide our doors and are not limited by statutory guidelines as to how many are allowed in our building!

We continue, on our journey with the Letter of James, and I pray that you have been challenged as I have, by what the writer has to say to the Christian's in dispersion, but more importantly what the text means to each of us; today. Too often we get caught up with the what not-to-do, that we forget to embrace that which we are called to do. As a people of faith, we are called to simply live out the gift of LOVE, a love which is abound here at St. Saviour's and a love which is part of who we are.

We are a community where Love is tangible, authentic, and challenging. As we slowly get back to expressing this love through community engagement and worship, I invite you to with me, revel in the mystery of the love of God. I implore you to manifest goodness and joy in your daily living. For God is good, all the time; and all the time, God is good.

On Saturday; 2 October between 13h00 and 15h00 will be the first of a series of; "OPEN RECTROY", as highlighted in a previous Rectors Note. This inaugural 'OPEN RETCORY' will be for members of Parish council and their families. Samantha, Sarah, Noah, and I, look forward to welcoming as many Parishioners as possible into this space over the next few months.

Stay safe.

God Bless.

Fr. Chesnay Frantz
